Complaint filed: June 13, 2024

Magistrate Judge: Hon Autumn D. Spaeth

Hearing date: August 23, 2024
Hearing time: 9:00 am
Courtroom: 9D

1 The home phone # is not mine
2 IT'S my parents home number. I
3 currently do not have a phone or
4 a number. The defendant has taken
5 away all access and use for any
6 type of communication.
7

8 I was granted permission to
9 e-file my documents. The defendant
10 is very aware of my current situation
11 on access. Mozilla Foundation is blocking
12 me from completing e file registration
13 and will not allow a pacer account.
14 I'm letting the court know that the
15 defendant is claiming a strong
16 effort to make contact with me.
17 No messages or e-mails have been received
18 except for the message at the house
19 on 7-15-2024 from Chris Ridder.
20 Called him back, he said he wanted
21 to talk about ADR, However his
22 client informed him to offer me
23 nothing. AT that point I knew he
24 had to touch bases with me to
25 file a motion to dismiss the case

1 The Mozilla Foundation has me
2 connected to a (USER CONTROLLED
3 PROPERTY LAND MANAGEMENT NETWORK)
4 against my will and is offering me no
5 way out. Verified by T-Mobile Corporate
6 3 days ago.

7 LET it be noted I contacted the
8 FBI on July 18. The FBI went to
9 visit the (Internet Resource Manager)
10 the very next day. I briefed them
11 on this issue and they are involved
